CCI/COAKLEYTECH REACHES OUT TO THE GLOBAL COMMUNITY

CCI/CoakleyTech Raises Money for the Earthquake Victims of Haiti

HARTLAND, WI (February 9, 2010) – CCI/CoakleyTech, a leader in print and document management solutions, reached out in a global time of need by donating over \$800 to the American Red Cross Haiti Relief Development Fund.

On January 12, 2010, a series of earthquakes devastated Haiti. In the aftermath of the earthquake, CCI/CoakleyTech employees pledged support and raised over \$400 in a one-day bake sale fundraiser. The company matched the money raised, and over \$800 was sent to the American Red Cross Haiti Relief Development Fund. Other company locations will host similar fundraisers in the coming weeks.

CCI/CoakleyTech's action to bolster relief efforts in the aftermath of the devastating earthquake in Haiti was just one of their many efforts throughout the years to help the community on a global level.
