CCI/CoakleyTech Expands Portfolio of Offerings to Include eProfessional Services

HARTLAND, WI (March 15, 2010) – To help clients build and manage more dynamic document programs, CCI/CoakleyTech, a leader in print and document management solutions, is further expanding its portfolio of offerings to include eProfessional Services.

CCI/CoakleyTech's eProfessional Services team provides a consultative approach to clients' beyond ink document and multi-media communication needs. Services include:

- Integrated, 1:1 Marketing Campaign Development and Management
 - Variable Images and Content for electronic or hardcopy distribution
 - PURL development and hosting
- Digital Media
 - USB Drive, CD, and DVD mastering and duplication
 - Encrypted anti-copy CDs, DVDs, flash drives, etc.
- Graphic Design Services
- Custom Publishing Applications
- Desktop Publishing
- Email Distributions
- Database Management
- PDF File Enhancements
- Web-Ready Imaging
- File and Media Conversion

Jason Wienke, eProfessional Services manager commented: "Our brands are always seeking new ways to build a complete toolbox for our clients' document programs and digital marketing initiatives. This new offering compliments our current services by providing services and solutions that help companies digitally manage both their documents and overall business communication strategies."

About CCI/CoakleyTech

CCI/CoakleyTech is a world leader print and document management solutions. Focusing on *Beyond Ink* solutions and *Intelligent Production* processes, the company bundles services like traditional printing, print-on-demand, inventory management, eBusiness applications, and variable information applications into value packages that create complete solutions. These solutions are led by Publication Zone[®], an online print and document management system. CCI/CoakleyTech is a privately held corporation owned by TouchPoint Print Solutions Corp., a holding company of Huron Capital Partners LLC. The TouchPoint platform is focused on building a full-service printing and document management business providing customers with solutions in web-based, sheet-fed and digital printing media. Headquartered in Hartland, Wisconsin, CCI/CoakleyTech operates facilities throughout Wisconsin and Arizona and can be found on the web at www.comcom.com.
